A very warm welcome to our Worship Service this morning which will be led by **James** and a very warm welcome back to BCC to **Callum Henderson** who will be speaking to us today on the topic of **Biblical Creation Care**

Most of you will know Callum as the Director of Comfort International but what you might not know about Callum is that he has a PhD in Ecology and he wrote a very interesting article in the Pray for Scotland Newsletter in September last year, which you can read on this link:-

We will be sharing communion together this morning

WHENEVER you eat this bread and drink this cup, you proclaim the Lord's death until he comes.
I Corinthians 11:26

There will be a slight change in how we serve tea and coffee from now on. There will be a trolley set up, on either side of the hall, with flasks of tea, coffee, milk, and cups etc. and we would ask folks to help themselves when you arrive and to any top ups as and when you require.

We understand that this might not be suitable for everyone so we would ask, if you are sitting with a visitor or someone who is just unable to help themselves, please offer to serve them.

Thank You

NEW GREEN BOARDS IN FOYER

Did you notice our new 'Green Boards' in the church foyer? They are not only 'green' in colour but contain lots of 'green' information to help us fight Climate Change.

Please take some time to read all the useful information which has been collated by Yvonne, Anna and others, there are some great ideas and suggestions to help us become more 'green'.

Sponsored Cycle
raising funds for
MAGNITUDE
July 23 - 27

JustGiving

Our young people are doing a sponsored cycle from Bishopbriggs to Loch Lomond and back on **Saturday 4th June** to raise more funds for Magnitude. The main group will leave the Leisuredrome at 9am and cycle via the canal and Loch Lomond cycle path to Balloch; some may only go one way. There will also be a group walking from Dumbarton to Balloch, having arrived in Dumbarton by train. The plan would then be to have a picnic and a rest before the return cycle or train home, for those that need it.

Further information can be sought from Anna and if you would like to sponsor them you can do so by following this link [BCC Youth Magnitude Fundraiser](#)

Results of the Stanley Park Litter Pick

A huge thank you to everyone who took part in last
week's litter lift in Stanley Park:-

12 Asda trolleys returned in various states of repair

6 bags of recycling deposited
in the near to bursting recycling point at Asda,
and at least a dozen more bags collected by EDC.

A phenomenal effort and lots of issues raised.

Welcomers Required for Sundays

Hebrews 13:2 "Do not neglect to show hospitality to strangers, for by this some have entertained angels without knowing it."

Everyone in our church, whether you know it or not, is "on the hospitality team," when we greet an unfamiliar face and invite them to sit with us or make a point of speaking to them after church. However, it is important that people feel welcome as soon as they come through our doors, be they visitors or regulars.

**Welcome
To our Church**

Hospitality is a great way to serve and make new friends while using the gifts God has given us.

Please consider being part of this very important outreach on a Sunday morning. I'm sure we all want everyone who comes through our doors to feel welcome and want to return.

For more information or to be added to the team, please speak to Dorothy or email the office on:-
